Painting & Decorating

NSPP offers a number of industry standard painting and decorating qualifications designed to ensure our students are capable, rounded and highly employable.

Courses:

► Level 2 Diploma in Painting & Decorating

Aimed at those not yet working in construction but may have previous experience or knowledge. The course includes a practical assessment to test the application of building methods and construction technology.

► NVQ Level 2 Painting & Decorating

For students already working in (or planning to work in) the plastering profession. This qualification is based solely on the work you do on site with examples forming the basis of your portfolio.

Some of the units you will complete are:

- Moving, handling and storing resources
- Erecting and dismantling access/working platforms
- Preparing surfaces for painting/decorating
- Applying paint systems by brush and roller

► NVQ Level 3 Painting & Decorating

Designed for those already employed as painters and decorators looking for an advanced industry qualification, it involves complex skills and can be used as a pathway to assessing, supervisory and management positions.

Some of the units that you will complete are:

- Erecting and dismantling access/working platforms
- Airless spraying
- Decorative spraying
- Graining and replica marbling
